

**Washington State Joint Transportation Committee
Regulation of Taxi and For-Hire Services in Washington State
Responses to RFP questions
April 24, 2018**

The following questions were asked by potential bidders submitting letters of intent to bid, concerning the Joint Transportation Committee's (JTC) RFP for the study of Regulation of Taxi and For-Hire Services in Washington State:

Q1. Will the same Workgroup be involved on both studies, or will there be separate Workgroups?

RESPONSE: If the same consultant is selected to conduct both studies (Taxi/ For-Hire and TNCs), the same Staff Workgroup may be used.

As for the stakeholder work, stakeholder consultation for each study will mostly be conducted separately. For each study, your study proposal should describe a plan for stakeholder consultation which needs to consider the most productive manner to engage stakeholders, whether individually or in groups.

Q2. Will the JTC be providing a list of those firms that responded with an intent to bid?

RESPONSE: For the Taxi and For-Hire Services study, the JTC received letters of intent to bid from the following firms:

1. BERK, Seattle WA
2. TAP International, Inc., Sacramento, CA
3. PFM Group Consulting LLC, Philadelphia, PA
4. Nelson\Nygaard, Portland, OR
5. WSP USA, Seattle WA
