

## FIRST DAY

## NOON SESSION

Senate Chamber, Olympia  
Monday, January 14, 2019

At 12:30 p.m., pursuant to law, the Senate of the 2019 Regular Session of the Sixty-Sixth Legislature of the State of Washington assembled in the Senate Chamber at the State Capitol. Lieutenant Governor Cyrus Habib, President of the Senate, called the Senate to order.

The Washington State National Guard Honor Guard, consisting of Staff Sergeant Mr. Nathan Snyder, Sergeant Mr. William Goodwin, Sergeant Mr. Zack Flynn and Specialist Mr. Zach Berg, presented the Colors.

Students, Ms. Anitra Nansereko Kawuma, Ms. Alondra Miranda Garcia, Ms. Nattalie Robatty, and Ms. Vallerie Robatty, from the Federal Way School District led the Senate in the Pledge of Allegiance.

The President introduced River Ridge High School students representing the American Sign Language Program, who performed and signed the National Anthem. They were led by Director Ms. Cathy Boos.

The Washington State National Guard Honor Guard retired from the chamber.

The prayer was offered by Rabbi Mr. Seth Goldstein of Temple Beth Hatfiloh, Olympia.

Rabbi Goldstein: "Earlier this morning, I had the distinct pleasure of offering blessings across the way at the Temple of Justice, as we honored the returning and renewed members of the Washington State Supreme Court, the interpreter of the laws. And now I stand before you, our representatives and legislators, who craft the law, the foundation of our society. You, our Senators who take our values, our ideals, and craft them into policy. To this body and all assembled within, as you begin again this most important work, we ask for blessing.

In the Jewish liturgical tradition, we read a section of our Torah, our Scripture, in order each week on the Sabbath. This week we read from the Book of Exodus in which the Israelites are led out of Egyptian bondage by Moses to the shores of the Red Sea. And at a time when it seemed all hope was lost, Moses raised up his staff and the sea split, "the waters," as the text describes, "formed a wall on the right and on the left."

If only the way forward was that easy to discern.

We no longer have a Moses to guide us. But the task ahead is the same.

You, our legislators—with your own staffs—are entrusted by us the citizens of this State, to create a path forward. Rather than walls of water, may you hold back scorn and stubbornness, pettiness and negativity.

May you, our senators, find meaning in your work. May you face the challenge ahead to build a better society and State for all of its citizens with wisdom and courage, compassion and humility, discernment and curiosity.

As you work together, may you be firm in your convictions yet modest in your opinions.

May you treat each other with the respect befitting a fellow senator and dignity befitting another human created in the image of God.

May you recognize compromise as a sign of strength, not weakness.

May you remember that in this chamber the words 'majority' and 'minority' refer only to a number of seats, not who has a greater claim to truth, commitment, empathy or justice.

And most of all may you be blessed with peace, a session of peace as you create peace for this great State and all who dwell within it.

And let us say, Amen."

## INTRODUCTION OF SPECIAL GUEST

The President welcomed and introduced Ms. Claudia Castro, Washington State Poet Laureate, who was seated at the rostrum.

With permission of the Senate, business was suspended to allow Washington State Poet Laureate Claudia Castro to address the Senate.

Poet Laureate Ms. Claudia Castro: "Thank you Mr. President; Honorable Members of the Washington State Senate; Fellow Washingtonians: It is my great honor to stand before you and share a poem on the opening day of the Senate.

It has been my great privilege this past year to serve as Washington State Poet Laureate, to crisscross our beautiful state, to build appreciation for the power of words to unveil things yet unconsidered or to re-consider notions held, to stir the deepest parts of ourselves, to invite folks who have never written a poem in their lives to try their hand at it, to nurture young writers and to connect those already writing to each other.

This poem I share with you today is titled Summer Sparks. It is an invitation, a beginning to imagine a more just, inclusive future.

*Summer Sparks*

*In New York a colossal woman raises  
a burning torch, a promise to harbor  
the tired, the poor, the homeless, the tempest-tossed.  
In Seattle another woman fades,  
homeless in a park, with the racing butterfly  
of her child's heart her only compass.  
A pendulum swings, all over the land,  
from the luscious forests of generous imaginations  
to the ruinous bigotry that clipped  
Emmett Till's wings. Echoes of yesteryear's  
Ghost Dance over Wounded Knee,  
that sideway shuffle call for ancestors' aid,  
beats time before us again and again.  
Fruit plump on summer's light  
in a New England vale ripens  
alongside Southwestern's border  
bruised and battered fruit.  
4th of July fireworks bravado,  
the feeling of losing yourself in the jubilee  
of the crowd after winning, collapses  
under the crushing evidence  
of the country that we've never been.  
The sparks lighting up the sky then falling,  
folding back into night,  
are they a celebration, the best part of summer,  
or more of a weeping?*

*Love and pain don't strike  
some over others with different strength.  
We are equally susceptible to kindness  
and to cold, and board together  
the destiny of our shared country.  
On an occasion like this,  
from sea to shining sea,  
is a good place to begin not end.*

Thank you so much."

#### REMARKS BY THE PRESIDENT

President Habib: "We have a very busy and crowded itinerary I'd guess you'd call it today.

And so there's, it's, I think, daunting for the floor leaders to see this line here that says 'President's welcoming remarks.' You all know me well enough to know that's dangerous.

But I do want to just say a couple things before we continue with our very important proceedings and really that's to acknowledge all of you. I want to first of all say, and we'll have a chance individually to welcome our new senators as well as those who've been re-elected for their for their next term but I really want to say on behalf of the Senate how fortunate we are that you've stepped up and agreed to run for office. You have agreed to serve and it's not easy. In this day and age, I think more than at any other time perhaps, it's difficult to be involved in politics; it's difficult to put your name forward and to risk the not just criticism but some of the animosity and negativity that goes into our politics and so every one of you irrespective of party has my deep, deep respect for stepping up and willing to serve your constituents. And, when I travel around the state, I've met with many of you both sides of the aisle in your home districts and I always remind your constituents that they have a fantastic leader who is willing to represent them, even when we don't agree, I have utter respect for all of you. And I want to acknowledge, I know that we have many guests in the gallery who are members of the families, friends and families of our newly-elected senators and I want to thank all of you for allowing us to have the time with your husband or wife or mother or father, brother or sister to be here with us. We know that it takes a toll on families during these, particularly, these odd numbered years to have Legislators come to Olympia and often be far away from their families so I'd like to ask the Senate to join me in thanking all the family members that make it possible for us to do this work each and every single year.

I'd also like to and we do we tend to do this at the end of the session, at the end of certain key cut offs but I want to just take a moment at the very outset of the session to thank all the staff of the state Senate from legislative assistants; to the folks who work in the in the Code Revisor's Office; all the folks that work in the joint legislative functions as well as for the Senate. They've all been working during the interim while many of us have been doing other things, or maybe had a different job even in some cases. But these folks have been working hard to get us ready for this day and we all know that they will be working extremely hard over the next hundred and five days to make the senators successful in representing their constituents. And they are just as much public servants as all of us who are here. So I want to again ask all of you to join me in thanking in advance all the members of the staff here in Olympia that make this possible."

The senate rose in recognition of the staff of the senate.

"Finally I want to recognize and congratulate two individuals in particular who have earned the respect of their caucus, their respective caucuses, and have a critical, critical roles to play over these next three and a half months. I'd like to congratulate Senator Andy Billig on being elected Majority Leader by the Democratic Caucus. It's been an honor to, I learned from Senator Billig when I took over as whip from him four years ago and then got to work with him in his capacity as Deputy Leader and we're extremely fortunate to have Senator Billig as the Majority Leader. And I also want to congratulate Senator Schoesler on earning the respect of his caucus, one more time, to be the leader of the Republicans here in Olympia again for another year. It's again been a pleasure for me to get to know Senator Schoesler and work with him both as a senator but really far more during the past couple years particularly during the year when my first year here when he was the Majority Caucus Leader and so would you all please join me in congratulating Senators Billig and Schoesler on their leadership roles."

The senate rose in recognition of the recently installed leaders of the senate.

"I'll just remind all of you, it's a, it's a tremendous pleasure for me to be able to serve you in this capacity and I'm, this is my third year now doing this, and I'll be the first now to tell you that I'm not perfect and if there are ways in which I can do a better job please reach out to me personally. I love the chance to sit down with you I hope to get to meet with you want one on one but my staff and I are here to facilitate your experience in the Senate. Above all to make sure that you're successful in representing your constituents, who are also my constituents, and I'll just close by reminding you know I've had the chance to travel around the country and visit state legislatures including and especially the Senate, the upper chambers of different states and we are still unique at least we are one of only a handful of chambers, lower or upper chambers, that that still use roll call voting. And I think that's a good thing even though, for me, it means sitting around here and hearing your names over and over and over again sometimes I wake up in the morning and I'm like, 'Becker,' 'Bailey' I've got names going through my head because I've heard it so many times but why is it important? It's important because the very fact of you all needing to be here to vote in person means, means something else as well. It also means that you're here to hear one another speak on the floor and debate bills and perhaps even change your mind based on what you hear and that's really, when you go back two thousand plus years to the Roman era of the Senate first took its name, took its form, that's what it's about. It's about rhetoric; it's about persuasion; and it's about the power of ideas. So I'm proud that I get to lead an institution where you all don't hide in your offices or you don't travel around the campus but you're here right here listening to one another and so I again will do everything I can to facilitate you being able to do that. Thank you all for the tremendous pleasure of being able to work with you and I wish you all a productive, fruitful, amicable twenty-nineteen Regular Session with that: Senator Liias?"

#### MOTION

On motion of Senator Liias, the Senate advanced to the third order of business.

**Announcement of Vote**

**Rule 23.** The announcement of all votes shall be made by the president.

**Call of the Senate**

**Rule 24.** Although a roll call is in progress, a call of the senate may be moved by three senators, and if carried by a majority of all present the secretary shall call the roll, after which the names of the absentees shall again be called. No senator shall impeach the motives of any other member or speak more than twice (except for explanation) during the consideration of any one question, on the same day or a second time without leave, when others who have not spoken desire the floor, but incidental and subsidiary questions arising during the debate shall not be considered the same question. A majority of the members present may further limit the number of times a member may speak on any question and may limit the length of time a member may speak but, unless a demand for the previous question has been sustained, a member shall not be denied the right to speak at least once on each question, nor shall a member be limited to less than two minutes on each question. In any event, the senator who presents the motion may open and close debate on the question.

**Recognition by the President**

**Rule 30.** When two or more senators rise at the same time to address the chair, the president shall name the one who shall speak first, giving preference, when practicable, to the mover or

introducer of the subject under consideration. (See also Reed's Rule 214).

#### **Call for Division of a Question**

**Rule 31.** Any senator may call for a division of a question, which shall be divided if it embraces subjects so distinct that one being taken away a substantive proposition shall remain for the decision of the senate; but a motion to strike out and insert shall not be divided.

#### **Point of Order - Decision Appealable**

**Rule 32.** 1. Every decision of points of order by the president shall be subject to appeal by any senator, and discussion of a question of order shall be allowed. In all cases of appeal the question shall be: "Shall the decision of the president stand as the judgment of the senate?"

2. When a member appeals the decision of the presiding officer, the presiding officer may not preside over the appeal.

3. An appeal from the decision of the presiding officer is timely if brought before the body on the day the decision was made unless the decision affected a measure that is no longer in possession of the senate.

#### **Question of Privilege**

**Rule 33.** Any senator may rise to a question of privilege and explain a personal matter by leave of the president, but shall not discuss any pending question in such explanations, nor shall any question of personal privilege permit any senator to introduce any person or persons in the galleries. A question of privilege shall involve only subject matter which affects the particular senator personally and in a manner unique and peculiar to that senator.

#### **Protests**

**Rule 34.** Any senator or senators may protest against the action of the senate upon any question. Such protest may be entered upon the journal if it does not exceed 200 words. The senator protesting shall file the protest with the secretary of the senate within 48 hours following the action protested.

#### **Adoption and Suspension of Rules**

**Rule 35.** 1. The permanent senate rules adopted at the first regular session during a legislative biennium shall govern any session subsequently convened during the same legislative biennium. Adoption of permanent rules may be by majority of the senate without notice and a majority of the senate may change a permanent rule without notice at the beginning of any session, as determined pursuant to Article 2, Section 12 of the State Constitution. No permanent rule or order of the senate shall be rescinded or changed without a majority vote of the members of the senate, and one day's notice of the motion.

2. A permanent rule or order may be temporarily suspended for a special purpose by a vote of two-thirds of the members present unless otherwise specified herein. When the suspension of a rule is called, and after due notice from the president no objection is offered, the president may announce the rule suspended, and the senate may proceed accordingly. Motion for suspension of the rules shall not be debatable, except, the mover of the motion may briefly explain the purpose of the motion and at the discretion of the president a rebuttal may be allowed.

3. For the purposes of this rule, one day's notice means written

notice is provided to all members of the Senate by 5:00 p.m. the day prior to the amendment to the permanent rules being offered and the notice must include, at a minimum, a description of the change to be offered.

#### **Previous Question**

**Rule 36.** The previous question shall not be put unless demanded by three senators, and it shall then be in this form: "Shall the main question be now put?" When sustained by a majority of senators present it shall preclude all debate, except the senator who presents the motion may open and close debate on the question and the vote shall be immediately taken on the question or questions pending before the senate, and all incidental question or questions of order arising after the motion is made shall be decided whether on appeal or otherwise without debate.

#### **Reconsideration**

**Rule 37.** 1. After the final vote on any measure, before the adjournment of that day's session, any member who voted with the prevailing side may give notice of reconsideration unless a motion to immediately transmit the measure to the house has been decided in the affirmative. Such motion to reconsider shall be in order only under the order of motions of the day immediately following the day upon which such notice of reconsideration is given, and may be made by any member who voted with the prevailing side.

2. A motion to reconsider shall have precedence over every other motion, except a motion to adjourn; and when the senate adjourns while a motion to reconsider is pending or before passing the order of motions, the right to move a reconsideration shall continue to the next day of sitting. On and after the tenth day prior to adjournment sine die of any session, as determined pursuant to Article 2, Section 12, or concurrent resolution, or in the event that the measure is subject to a senate rule or resolution or a joint rule or concurrent resolution, which would preclude consideration on the next day of sitting a motion to reconsider shall only be in order on the same day upon which notice of reconsideration is given and may be made at any time that day. Motions to reconsider a vote upon amendments to any pending question may be made and decided at once.

#### **Motion to Adjourn**

**Rule 38.** Except when under call of the senate, a motion to adjourn shall always be in order. The name of the senator moving to adjourn and the time when the motion was made shall be entered upon the journal.

When once begun the roll call may not be interrupted for any purpose other than to move a call of the senate. (See also Senate Rules 22 and 24.)

#### **Reed's Parliamentary Rules**

The following constitutes a standing subcommittee of the senate:

<u>1. Behavioral Health Subcommittee on</u>	
<u>Health &amp; Long-Term Care</u>	<u>5</u>

**Subcommittees**

**Rule 42. 1.** A standing subcommittee has authority to hold work sessions and public hearings and take executive action on measures referred to it by the relevant standing committee. The committee requirements in Senate Rules 44 through 49 apply equally to standing subcommittees created under Senate Rule 41.

**2.** In addition to standing subcommittees created under Senate Rule 41, committee chairs may create subcommittees of the standing committee and designate subcommittee chairs thereof to study subjects within the jurisdiction of the standing committee.

These subcommittees do not have executive action authority and are not considered standing subcommittees for purposes of senate rules. The committee chair shall approve the use of committee staff and equipment assigned to the subcommittee. Subcommittee activities shall further be subject to facilities and operations committee approval to the same extent as are the actions of the standing committee from which they derive their authority.

**Subpoena Power**

**Rule 43.** Any of the above referenced committees, including subcommittees thereof, or any special committees created by the senate, may have the powers of subpoena, the power to administer oaths, and the power to issue commissions for the examination of witnesses in accordance with the provisions of chapter 44.16 RCW. The committee chair shall file with the committee on rules, prior to issuance of any process, a statement of purpose setting forth the name or names of those subject to process. The rules committee shall consider every proposed issuance of process at a meeting of the rules committee immediately following the filing of the statement with the committee. The process shall not be issued prior to consideration by the rules committee. The process shall be limited to the named individuals and the committee on rules may overrule the service on an individual so named.

**Duties of Committees**

**Rule 44.** The several committees shall fully consider measures referred to them.

The committees shall acquaint themselves with the interest of the state specially represented by the committee, and from time to time present such bills and reports as in their judgment will advance the interests and promote the welfare of the people of the state: PROVIDED, That no executive action on bills may be taken during an interim.

**Committee Rules**

**Rule 45. 1.** At least five days' notice shall be given of all public hearings held by any committee other than the rules committee. Such notice shall contain the date, time and place of such hearing together with the title and number of each bill, or identification of the subject matter, to be considered at such hearing. By a majority vote of the committee members present at any committee meeting such notice may be dispensed with. The reason for such action shall be set forth in a written statement preserved in the records of the meeting.

2. No committee may hold a public hearing during a regular or extraordinary session on a proposal identified as a draft unless the draft has been made available to the public at least twenty-four hours prior to the hearing. This rule does not apply during the five days prior to any cutoff established by concurrent resolution nor does it apply to any measure exempted from the resolution.

3. During its consideration of or vote on any bill, resolution or memorial, the deliberations of any committee or subcommittee of the senate shall be open to the public. In case of any disturbance or disorderly conduct at any such deliberations, the chair shall order the sergeant at arms to suppress the same and may order the meeting closed to any person or persons creating such disturbance.

4. No committee shall amend a measure, adopt a substitute bill, or vote upon any measure or appointment absent a quorum. A committee may conduct a hearing absent a quorum. A majority of any committee shall constitute a quorum and committees shall be considered to have a quorum present unless the question is raised.

Any question as to quorum not raised at the time of the committee action is deemed waived.

5. Bills reported to the senate from a standing committee must have a majority report, which shall be prepared upon a printed standing committee report form; shall be adopted at a regularly or specially called meeting during a legislative session and shall be signed by a majority of the committee; and shall carry only one of the following recommendations:

- a. Do pass;
- b. Do pass as amended;
- c. That a substitute bill be substituted therefor, and the substitute bill do pass; or
- d. Without recommendation.

In addition to one of the above-listed recommendations, a report may also recommend that a bill be referred to another committee.

6. A majority report of a committee must carry the signatures of a majority of the members of the committee. In the event a committee has a quorum pursuant to subsection 4 of this rule, subject to the limitation of subsection 12 of this rule, a majority of the members present may act on a measure, subject to obtaining the signatures of a majority of the members of the committee on the majority report.

7. Any measure, appointment, substitute bill, or amendment still within a committee's possession before it has been reported out to the full senate may be reconsidered to correct an error, change language, or otherwise accurately reflect the will of the committee in its majority and minority reports to the full senate. Any such reconsideration may be made at any time, by any member of the committee, provided that the committee has not yet reported the measure, appointment, substitute bill, or amendment out to the full senate. Any such reconsideration made after a vote has been taken or signatures obtained will require a new vote and signature sheet. Any measure which does not receive a majority vote of the members present may be reconsidered at that meeting and may again be considered upon motion of any committee member if one day's notice of said motion is provided to all committee members. For purposes of this rule, a committee is deemed to have reported a measure, appointment, substitute bill, or amendment out when it has delivered its majority and minority reports to the senate workroom. After such delivery, the committee no longer has possession of the measure, appointment, substitute bill, or amendment and no further committee action, including reconsideration, may be taken.

8. Any member of the committee not concurring in the majority report may sign a minority report containing a recommendation of "do not pass" or "without recommendation," which shall be signed by those members of the committee subscribing thereto, and submitted with the majority report. Unless the signatory of a minority report expressly indicates a "do not pass" recommendation, the member's vote shall be deemed to be "without recommendation." In every case where a majority report form is circulated for signature, a minority report form shall also be circulated.

9. When a committee reports a substitute for an original bill with the recommendation that the substitute bill do pass, it shall be in order to read the substitute bill the first time and have the same ordered printed.

A motion for the substitution of the substitute bill for the original bill shall not be in order until the committee on rules places the original bill on the second reading calendar.

10. No vote in any committee shall be taken by secret ballot nor shall any committee have a policy of secrecy as to any vote on action taken in such committee.

11. All reports of standing committees must be on the secretary's desk one hour prior to convening of the session in order to be read at said session. During any special session of the legislature, this rule may be suspended by a majority vote.

12. When a standing committee is operated by cochair, the committee may not vote upon any measure or appointment without the consent of each cochair.

13. When a standing committee has a standing subcommittee established under Senate Rule 41, the chair of the committee may rerefer any measures referred to the committee to the standing subcommittee with the consent of the ranking member of the committee or, in the event of a dispute between the chair and ranking member, referral may occur with a majority vote of the committee.

No committee shall sit during any scheduled caucus.

#### **Reading of Reports**

**Rule 47.** The majority report, and minority report, if there be one, together with the names of the signers thereof, shall be read by the secretary, unless the reading be dispensed with by the senate, and all committee reports shall be spread upon the journal.

#### **Recalling Bills from Committees**

**Rule 48.** Any standing committee or standing subcommittee of the senate may be relieved of further consideration of any bill, regardless of prior action of the committee, by a majority vote of the senators elected or appointed. The senate may then make such orderly disposition of the bill as they may direct by a majority vote of the members of the senate.

#### **Bills Referred to Rules Committee**

**Rule 49.** All bills reported by a committee to the senate shall then be referred to the committee on rules for second reading without action on the report unless otherwise ordered by the senate. (See also Senate Rules 63 and 64.)

#### **Rules Committee**

**Rule 50.** The lieutenant governor shall be a voting member and the chair of the committee on rules. The president pro tempore shall be a voting member and the vice chair of the committee on rules. The committee on rules shall have charge of the daily second and third reading calendar of the senate and shall direct the secretary of the senate the order in which the bills shall be considered by the senate and the committee on rules shall have the authority to directly refer any bill before them to any other standing committee. Such referral shall be reported out to the senate on the next day's business.

The ~~((senate may change the))~~ order of consideration of bills on the second or third reading calendar will be set by the floor leader of the majority caucus. A majority of members present may vote to change the order.

The calendar, except in emergent situations, as determined by

the committee on rules, shall be on the desks and in the offices of the senators each day and shall cover the bills for consideration on the next following day.

**Employment Committee**

**Rule 51.** The employment committee for committee staff shall consist of six members, three from the majority party and three from the minority party. The chair shall be appointed by the majority leader. All decisions shall be determined by majority vote. The committee shall operate within staffing, budget levels and guidelines as authorized and adopted by the facilities and operations committee.

**Committee of the Whole**

**Rule 52.** At no time shall the senate sit as a committee of the whole.

**Rule 53.** No biennial or supplemental omnibus operating budget, omnibus capital budget, or omnibus transportation budget bill may be acted upon in second reading until twenty-four hours after the bill has been placed on the second reading calendar by the rules committee. This rule does not apply to conference committee reports of biennial or supplemental omnibus budget bills, which are governed by joint rules. This rule may be suspended with a majority vote of those present within three days of sine die. The rules committee shall establish by separate motion the time at which a bill has been placed on the second reading calendar for purposes of this rule.

To be considered during a regular session, a bill must be introduced at least ten days before final adjournment of the legislature, unless the legislature directs otherwise by a vote of two-thirds of all the members elected to each house, said vote to be taken by yeas and nays and entered upon the journal. The time limitation for introduction of bills shall not apply to substitute bills reported by standing committees for bills pending before such committees and general appropriation and revenue bills. (See also Art. 2, Sec. 36, State Constitution.)

**Amendatory Bills**

**Rule 57.** Bills introduced in the senate intended to amend existing statutes shall have the words which are amendatory to such existing statutes underlined. Concurrent resolutions are subject to final passage on the day of the first reading without regard to Senate Rules 62, 63, and 64.

**Committee Bills**

**Rule 60.** Committee bills introduced by a standing committee during a legislative session may be filed with the secretary of the senate and introduced, and the signature of each member of the committee shall be endorsed upon the cover of the original bill.

Committee bills shall be read the first time by title, ordered printed, and referred to the committee on rules for second reading.

**Committee Reference**

**Rule 61.** When a motion is made to refer a subject, and different committees are proposed, the question shall be taken in the following order:

- FIRST: A standing committee.
- SECOND: A select committee.

### Reading of Bills

**Rule 62.** Every bill shall be read on three separate days unless the senate deems it expedient to suspend this rule. On and after the tenth day preceding adjournment sine die of any session, or three days prior to any cut-off date for consideration of bills, as determined pursuant to Article 2, Section 12 of the Constitution or concurrent resolution, or during any special session of the legislature, this rule may be suspended by a majority vote. (See also Senate Rules 59 and ((Rule)) 64).

### First Reading

**Rule 63.** The first reading of a bill shall be by title only, unless a majority of the members present demand a reading in full.

After the first reading, bills shall be referred to an appropriate committee pursuant to Senate Rule 61.

Upon being reported back by committee, pursuant to Senate Rule 49, all bills shall be referred to the committee on rules for second reading, unless otherwise ordered by the senate. ((See Rule 49))

A bill shall be reported back by the committee chair upon written petition therefor signed by a majority of its members. The petition shall designate the recommendation as provided in Senate Rule 45, Sub. 5.

No committee chair shall exercise a pocket veto of any bill.

Should there be a two-thirds majority report of the committee membership against the bill, a vote shall be immediately ordered for the indefinite postponement of the bill.

### Second Reading/Amendments

**Rule 64.** Upon second reading, the bill shall be read section by section, in full, and be subject to amendment.

Any member may, if sustained by three members, remove a bill from the consent calendar as constituted by the committee on rules. A bill removed from the consent calendar shall take its place as the last bill ((in the order of consideration of bills)) on the second reading calendar.

No amendment shall be considered by the senate until it shall have been sent to the secretary's desk in writing and read by the secretary.

All amendments adopted on the second reading shall then be securely fastened to the original bill.

All amendments rejected by the senate shall be spread upon the journal, and the journal shall show the disposition of all amendments.

When no further amendments shall be offered, the president shall declare the bill has passed its second reading, and shall be referred to the committee on rules for third reading.

### Third Reading

**Rule 65.** Bills on third reading shall be read in full by sections, and no amendment shall be entertained.

When a bill shall pass, it shall be certified to by the secretary, together with the vote upon final passage, noting the day of its passage thereon.

The vote must be taken by yeas and nays, the names of the senators voting for and against the same to be entered upon the journal and the majority of the members elected to the senate must be recorded thereon as voting in its favor to secure its passage by

the senate.

### Scope and Object of Bill Not to be Changed

**Rule 66.** No amendment to any bill shall be allowed which shall change the scope and object of the bill. (See also Art. 2, Sec. 38, State Constitution.) Substitute bills shall be considered amendments for the purposes of this rule. A point of order raising the question of scope and object may be raised at any time during consideration of an amendment prior to voting on the amendment. A proposed amendment to an unamended title-only bill shall be within the scope and object of the bill if the subject of the amendment fits within the language in the title.

### Matters Related to Disagreement Between the Senate and House

**Rule 67.** When there is a disagreement between the senate and house on a measure before the senate, the senate may act upon the measure with the following motions which have priority in the following order:

- To concur
- To non-concur
- To recede
- To insist
- To adhere

These motions are in order as to any single amendment or to a series of amendments. (See Reed's Rules 247 through 254.)

A senate bill, passed by the house with amendment or amendments which shall change the scope and object of the bill, upon being received in the senate, shall be referred to an appropriate committee and shall take the same course as for original bills, unless a motion to ask the house to recede, to insist or to adhere is made prior to the measure being referred to committee.

### Bills Committed for Special Amendment

**Rule 68.** A bill may be committed with or without special instructions to amend at any time before taking the final vote.

### Confirmation of Gubernatorial Appointees

**Rule 69.** When the names of appointees to state offices are transmitted to the secretary of the senate for senate confirmation, the communication from the governor shall be recorded and referred to the appropriate standing committee.

The standing committee, or subcommittee, pursuant to Senate Rule 42, shall require each appointee referred to the committee for consideration to complete the standard questionnaire to be used to ascertain the appointee's general background and qualifications. The committee may also require the appointee to complete a supplemental questionnaire related specifically to the qualifications for the position to which he has been appointed.

Any hearing on a gubernatorial appointment, held by the standing committee, or subcommittees, pursuant to Senate Rule 42, shall be a public hearing. The appointee may be required to appear before the committee on request. When appearing, the appointee shall be required to testify under oath or affirmation. The chair of the committee or the presiding member shall administer the oath or affirmation in accordance with RCW 44.16. (See also Article 2, Sec. 6 of the State Constitution.)

Nothing in this rule shall be construed to prevent a standing committee, or subcommittee, pursuant to Senate Rule 42, upon a two-thirds vote of its members, from holding executive sessions when considering an appointment.

When the committee on rules presents the report of the standing committee before the senate, the question shall be the confirmation of the name proposed, and the roll shall then be called and the yeas and nays entered upon the journal. In the event a message is received from the governor requesting return of an appointment or appointments to the office of the governor prior to confirmation, the senate shall vote upon the governor's request and the appointment or appointments shall be returned to the governor if the request is approved by a majority of the members elected or appointed. To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 4, Senate Bill No. 6058 entitled:

"AN ACT Relating to write-in voting."

Section 4 creates an unintended extra administrative burden for some counties and is not needed for implementation purposes or to meet the intent of the bill.

For these reasons I have vetoed Section 4 of Senate Bill No. 6058.

With the exception of Section 4, Senate Bill No. 6058 is approved.

Respectfully submitted,

MESSAGE FROM THE GOVERNOR

March 27, 2018

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 119(8), 129(21), 135(4), 146(10), 307 lines 14-15, 308(21), 502(1)(h), 504(2), 606(23)(b), 908(3), 103(9), 122(3), 127(56), 135(6), 140(7), 141(4), 146(7), 148(10), 205(1)(w), 206(30), and 501(51), Engrossed Substitute Senate Bill No. 6032 entitled:

"AN ACT Relating to fiscal matters."

Section 119(8), page 19, Secretary of State, Automatic Voter Registration Study

This section includes funding for the Secretary of State to conduct a study related to automatic voter registration. The requirement to do this study was removed from Engrossed Second Substitute House Bill 2595 (automatic voter registration), but the funding proviso remained in the budget. Because the agency will not be doing this study, the funding is not needed. For this reason, I have vetoed Section 119(8).

Section 129(21), page 56, Office of Financial Management, 2020 Census

Funds are provided to the agency for staffing and support to prepare for the 2020 census in two identical provisos: Section 129(19) and Section 129(21). This is clearly a drafting error because funding for the double proviso is not included in the total appropriation authority. For this reason, I have vetoed Section 129(21).

Section 135(4), pages 59-60, Department of Revenue, Tax Database

The budget provides \$150,000 to the department to create a publicly available online searchable database of all taxes and tax rates in the state for each taxing district. This is the same provision that was included in Senate Bill 6590 which had a fiscal note of \$1,219,800 for creation of the database. This project cannot be done for the \$150,000 provided in the budget. For this reason, I have vetoed Section 135(4).

Section 146(10), page 74, Department of Enterprise Services, Capitol Dome Access

This section directs the Department of Enterprise Services to allow individuals to access the top of the Capitol dome "under approved supervision and guidelines developed by the department." The Olympia Fire Department has assessed this space in the past, and, among other issues, reported that it could not use a fireman's rescue technique in this space nor could it assist an injured party by using a gurney. The Department of Labor and Industries classifies the area as a "confined space" which means that it has restricted entry/exit and is not primarily designed for human occupancy. Access should be authorized only for individuals needed to do work on the dome. While the view is beautiful from the dome, there are too many risks involved with granting access to the public. For this reason, I have vetoed Section 146(10).

Section 307, page 261, lines 14-15, Department of Fish and Wildlife, FY 2018 General Fund- State Appropriation

The final budget reduces the department's FY 2018 General Fund-State appropriation by \$1,739,000. Although the final budget provides an additional \$1.5 million for Orca whale recovery efforts, it does not fully cover the costs of important work needed to begin the recovery of this iconic species. To support Orca recovery efforts, I am vetoing this reduction in appropriation and directing the department to use \$650,000 of this amount to complete fish screen inventories, conduct public outreach and education, hire a recovery coordinator position, and support facilitation of the Southern Resident Killer Whale Task Force. I also am directing the agency to place the remaining amount in unallotted status. For this reason, I have vetoed Section 307, page 261, lines 14-15.

Section 308(21), page 274, Department of Natural Resources, SAFER Grant Match

One-time funding of \$873,000 General Fund-State is provided to Kittitas County Fire District 7 for matching funds for its Staffing for Adequate Fire and Emergency Response (SAFER) grant from the Federal Emergency Management Agency. Despite the merits of the federal grant funding to provide firefighting staff to the district, the state should not provide the local match for these grants.

Operational funding for fire districts is a local decision. Not only would providing the match through the state general fund set a precedent, it would be unfair to the other 19 fire districts across the state that were awarded a similar federal grant and provided their own local match. For these reasons, I have vetoed Section 308(21).

Section 502(1)(h), page 303, Office of Superintendent of Public Instruction for General Apportionment, Net Revenue Hold Harmless

Engrossed Second Substitute Senate Bill 6362 contains a more prescriptive hold harmless calculation than the language in the operating budget. The operating budget will hold districts harmless to a baseline that assumes the levy cliff would go into effect- a decision that the Legislature chose last year not to implement. We must ensure that no school district receives less funding in the 2018-19 school year. For this reason, I have vetoed Section 502(1)(h).

Section 504(2), page 318, Office of Superintendent of Public Instruction for School Employee Compensation Adjustments, Delay Professional Learning Day

The operating budget delays the implementation of state-funded professional learning days by one year. Research shows that time for job embedded professional learning and collaboration is linked to student success. Limiting practices that improve student achievement goes against our goal for a world-class education system. For these reasons, I have vetoed Section 504(2).

Section 606(23)(b), page 372, The Evergreen State College, Funding Options for the Legislature

This proviso allows the Office of Financial Management, State Board for Community and Technical Colleges, and Council of Presidents to use information from a Washington State Institute for Public Policy (WSIPP) study to present funding options to the Legislature. The WSIPP study is related to higher education funding methods in other states. This item directs two separate agencies and the Council of Presidents to perform work that does not naturally fit together with the WSIPP study. For this reason, I have vetoed Section 606(23)(b).

Section 908(3), page 417, Law Enforcement Officers' and

#### Firefighters' Retirement System (LEOFF) Distribution

This language expresses the Legislature's intent that future distributions to the Local Law Enforcement Officers' and Firefighters' Retirement System Benefits Improvement Account may include transfers from the LEOFF 2 pension fund. I have consistently vetoed similar provisions in the past, and I remain concerned about the wisdom of such transfers from a retirement fund. For this reason, I have vetoed Section 908(3).

I am vetoing the following sections related to bills that did not pass the Legislature resulting in the lapse of funding. My veto of these sections will serve to clean up these unnecessary sections of the bill.

Section 103(9), page 5, Joint Legislative Audit & Review Committee, SHB 1154, Fishing and Seafood Processing.

Section 122(3) page 22, State Treasurer's Office, E2SHB 2718, Civil Forfeiture Proceedings.

Section 127(56), page 43, Department of Commerce, ESSB 6081, Net Metering, or SHB 2995 Energy.

Section 135(6), page 61, Department of Revenue, E2SHB 2718, Civil Forfeiture Proceedings. Section 140(7), page 64, Liquor and Cannabis Board, ESSB 6346, Sale of Wine/Microbrewery.

Section 141(4), page 66, Utilities and Transportation Commission, ESSB 6081, Distributed Generation, or SHB 2995, Energy.

Section 146(7), page 73, Department of Enterprise Services, ESSB 6081, Net Metering, or SHB 2995, Energy.

Section 148(10), page 77, Consolidated Technology Services, E2SSB 5935, Broadband and Telecommunication Service.

Section 205(l)(w), page 116, Department of Social and Health Services - Developmental Disabilities, SHB 1792, Residential Services and Supports.

Section 206(30), page 134, Department of Social and Health Services - Aging and Adult Services, SHB 1792, Residential Services and Supports.

Section 501(51), page 297, Office of Superintendent of Public Instruction, SHB 2748, Learning Assistance Program.

For these reasons I have vetoed Sections 119(8), 129(21), 135(4), 146(10), 307 lines 14-15, 308(21), 502(1)(h), 504(2), 606(23)(b), 908(3), 103(9), 122(3), 127(56), 135(6), 140(7), 141(4), 146(7), 148(10), 205(l)(w), 206(30), and 501(51) of Engrossed Substitute Senate Bill No. 6032.

With the exception of Sections 119(8), 129(21), 135(4), 146(10), 307 lines 14-15, 308(21), 502(1)(h), 504(2), 606(23)(b), 908(3), 103(9), 122(3), 127(56), 135(6), 140(7), 141(4), 146(7), 148(10), 205(l)(w), 206(30), and 501(51), Engrossed Substitute Senate Bill No. 6032 is approved.

#### MESSAGE FROM THE SECRETARY OF STATE

MR. PRESIDENT:

We respectfully transmit for your consideration the following bill which was partially vetoed by the Governor, together with the

official veto message setting forth his objections to the sections or items of the bill, as required by Article III, section 12, of the Washington State Constitution:

Engrossed Substitute Senate Bill No. 6095

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the Seal of the state of Washington, this 29th day of March, 2018.

#### MESSAGE FROM THE GOVERNOR

March 27, 2018

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 3011(2), 3011(3), 3011(4), 4002, 7018, and 7019, Engrossed Substitute Senate Bill No. 6095 entitled:

"AN ACT Relating to the capital budget."

Sections 3011(2), (3) and (4), page 83, Department of Ecology, Water Availability (91000343)

I appreciate the bipartisan effort and support to pass Engrossed Substitute Senate Bill 6091 (ESSB 6091) and the accompanying appropriation of \$20 million in the enacted capital budget. Together, these measures are important in allowing appropriate development to proceed in rural areas of our state while also ensuring the protection of instream flows. Negotiations on ESSB 6091 were both substantial and difficult. Sections 3011(2), (3) and (4) single out particular projects for funding. This is a departure from the planning and implementation processes established only weeks ago in ESSB 6091, and circumvents the Department of Ecology's efforts to prioritize and approve projects. For these reasons, I have vetoed Sections 3011(2), (3) and (4).

Section 4002, pages 110-112, Aviation Revitalization Loans (92000003)

This section contains amendments identical to Substitute House Bill 1656 (SHB 1656) and reduces the amount available for loans by \$2.5 million. Because I have vetoed SHB 1656 and I support the original \$5 million appropriation, I have vetoed Section 4002.

Section 7018, page 153

Section 7018 repeals Section 13 of Substitute House Bill 1656 (SHB 1656). Because I have vetoed SHB 1656, there is no need to repeal a section in that bill. For this reason, I have vetoed Section 7018.

Section 7019, page 154

Section 7019 directs that Section 7018 takes effect when Substitute House Bill 1656 (SHB 1656) takes effect. Because I have vetoed Section 7018 and SHB 1656, this section is not necessary. For this reason, I have vetoed Section 7019.

For these reasons I have vetoed Sections 3011(2), 3011 (3), 3011(4), 4002, 7018, and 7019 of Engrossed Substitute Senate Bill No. 6095.

With the exception of Sections 3011(2), 3011(3), 3011(4), 4002, 7018, and 7019, Engrossed Substitute Senate Bill No. 6095 is approved.

Respectfully submitted,

MESSAGE FROM THE GOVERNOR

March 27, 2018

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 208(19), 207(8), 208(1), 208(22), 208(25), 208(26), 208(28), 208(29), 208(30), and 212(3), Engrossed Substitute Senate Bill No. 6106 entitled:

"AN ACT Relating to transportation funding and appropriations."

Section 208(19), Pages 23-24, Department of Licensing, Licensing Services Workgroup

Section 208(19) directs the department to convene a workgroup comprised of a county auditor, county licensing manager, and three subagent representatives to assess the current licensing services system and the establishment of a new licensing services partnership committee. The workgroup must consider and make recommendations on expanding services offered by subagents, establishing voluntary payment plans and automatic renewal options, and reviewing the current financial environment of subagents and county auditors. The department already has a specific licensing committee that meets twice a year. It also meets twice a year with the Washington Association of Vehicle Subagents. In addition, the proviso did not provide funding for this workgroup. While I encourage looking at ways to improve services to the public, this workgroup provides a forum for communication that already exists and funding is not provided to support the workgroup. For these reasons, I have vetoed Section 208(19).

I am vetoing the following sections related to bills that did not pass the legislature resulting in the lapse of funding. My veto of these sections will serve to clean up these unnecessary sections of the bill.

Section 207(8), page 18, Washington State Patrol, SHB 2278, Privacy Protections in Government Section 208(1), pages 19-20, Department of Licensing, EHB 2201 or ESSB 5955, MVET Collection Section 208(22), page 25, Department of Licensing, SHB 2278, Privacy Protections

Section 208(25), page 25, Department of Licensing, HB 2653 Alternative Fuel Vehicle Exemption, or SB 6080, Electrification of Transportation

Section 208(26), page 25, Department of Licensing, SHB 2975, Snow Bikes

Section 208(28), page 26, Department of Licensing, SSB 6009, Issuance of Personalized Collector Vehicle License Plates

Section 208(29), page 26, Department of Licensing, SSB 6107, Electric Motorcycle Registration Renewal Fees

Section 208(30), page 26, Department of Licensing, 2SSB 6189, Suspended or Revoked Driver's License Provisions

Section 212(3), page 35, Department of Transportation-Aviation, ESHB 2295, Electric Aircraft

For these reasons I have vetoed Sections 208(19), 207(8), 208(1), 208(22), 208(25), 208(26), 208(28), 208(29), 208(30), and 212(3) of Engrossed Substitute Senate Bill No. 6106.

With the exception of Sections 208(19), 207(8), 208(1), 208(22), 208(25), 208(26), 208(28), 208(29), 208(30), and 212(3), Engrossed Substitute Senate Bill No. 6106 is approved.

MESSAGE FROM THE GOVERNOR

March 27, 2018

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 402 and 408, Engrossed Second Substitute Senate Bill No. 6362 entitled:

"AN ACT Relating to modifying basic education funding provisions."

Section 402 delays the implementation of state-funded professional learning days. Research shows that time for job-embedded professional learning and collaboration is linked to student success.

Limiting practices that improve student achievement goes against the intent of this bill and our goals. For this reason, I am vetoing Section 402.

Section 408 moves forward by one year the requirement for OSPI to develop rules and budgetary procedures to ensure school districts provide separate accounting of state and local revenues to expenditures. The work is underway to design and build the accounting systems required to implement this data transparency within the original timeline for school year 2019-20. Speeding up the development of the system will jeopardize the long-term reliability of the accounting system and suspend the development of all other systems work. For this reason I am vetoing Section 408.

For these reasons I have vetoed Sections 402 and 408 of Engrossed Second Substitute Senate Bill No. 6362.

With the exception of Sections 402 and 408, Engrossed Second Substitute Senate Bill No. 6362 is approved.

Respectfully submitted,
