PERSONAL PRIVILEGE

Senator Padden: "Thank you, Madam President. I just wanted to call your attention to something that probably most of you know but this is a great day for our state and our region.

TENTH DAY, JANUARY 23, 2019

2019 REGULAR SESSION

Edgar Martinez is in the Hall of Fame. F:\Journal\2019 Journal\Journal2019\LegDay010\Applause.doc You know, and I mean, what a great story in the persistence and dedication and class that he has shown. I mean to make it on his tenth and last year. And there was an interesting article in The Wall Street Journal today about how he's going in at the same time as Rivera the tremendous relief pitcher for the Yankees who was lights out really with everybody except Edgar. Edgar had a five fifty seven batting average against Riviera but, anyway, as a as a great resident of our state and a great player for the Mariners I just wanted to call people's attention and hopefully maybe someday we will see him down here. Thank you Madam President."

EDITOR'S NOTE: Mr. Edgar Martínez, former designated hitter and third baseman for the Seattle Mariner professional baseball club, on the morning of January 23, 2019, received notice that the Baseball Writers Association of America had voted Mr. Martínez into the National Baseball Hall of Fame. Candidates must be named on 75 percent or more of the ballots cast to gain election. Mr. Martínez was named on 363 of the 425 ballots cast, approximately 85.4 percent, in his tenth and final year of eligibility.

MOTION

Senator Liias moved that the appointments be confirmed. Senator Billig spoke in favor of the motion to confirm.

POINT OF INQUIRY

Senator Short: "So my question, Madam President, to the gentleman from the 3rd District: As you go through that appointment process and seat that 40th district, then will the people who were temporarily appointed to that then be off the committee?"

Senator Billig: "Thank you to Senator Short for asking that question. That does help further qualify, yes. And I meant to say that earlier. This is, the intention is that this is temporary and as soon as that member is appointed, it will be that new member there will fill these two slots on the Energy, Environment, Energy and Technology Committee and Transportation Committee. So, even at that point we would not be expanding the size of the committees. Thank you."

Senators Short and Ericksen spoke against the motion.
